## **60132012 Level 2 NVQ Diploma in Roofing Occupations (Construction)**

### OVERVIEW

For those working or wishing to work as a roofer in the construction industry, this qualification is ideal for demonstrating your competence. It is a measure of your ability to carry out a range of work to criteria which has been set by the industry. It is recognised by the Construction Skills Certification Scheme (CSCS) and will enable you to gain the CSCS Blue card.

This is a Framework qualification that confirms competency in working in roofing occupations. You will learn how to conform to General Health, Safety and Welfare in the Workplace, how to conform to Productive Working Practices in the Workplace and how to move, handle and store resources in the workplace, as well as learning the skills and techniques used in roofing occupations.

There are no entry requirements for this qualification – anyone over the age of 16 that is seeking to demonstrate competence in working in roofing occupations can take this qualification. However you are likely to hold or be studying towards other qualifications, such as the Level 2 Diploma in Roof Slating and Tiling, or have significant experience working with wood in supervisory roles within the construction industry.

### WHAT COULD THIS QUALIFICATION LEAD TO?

This qualification prepares you for work in the construction industry, with a specific focus on wood occupations. Upon completion you can apply to CSCS, or other industry card schemes, to gain a skills card that will enable you to work on site in your chosen trade. If you wish to progress to become a supervisor working on site, you may wish to study any of the following qualifications:

- Level 3 NVQ Diploma in Occupational Work Supervision (Construction)
- Level 4 NVQ Diploma in Construction Site Supervision (Construction)

### WHO SUPPORTS THIS QUALIFICATION?

This qualification is widely supported in the construction sector. We are grateful to have specific support from the Federation of Master Builders for the Level 2 NVQ Diploma in Roofing Occupations (Construction).
