Candidate name	<i>Firstname Surname</i>
City & Guilds candidate No.	<i>ABC1234</i>
Date	<i>10/05/2022</i>

Provider name	<i>East Provider College</i>
City & Guilds Provider No.	<i>012345</i>

Record observation notes below to inform external marking. Notes must be detailed, accurate and differentiating. They should identify areas of strength and weakness to distinguish different levels of performance quality for each of the prompts below.

Structure/detail

The presentation is detailed, structured and logical in its approach. It is clear that the presentation has been considered in terms of its audience as a result of detailed and effective planning.

Techniques

Techniques used to deliver the presentation are effective with well justified reasoning behind the information provided demonstrating a good core knowledge.

Terminology

Most terminology used is accurate but with some errors.

Theories and concepts

Theories and concepts relating to the core knowledge and core skills are coherent with clear justifications on how these are applied in response to the brief requirement. Reference to H&S legislations throughout linked to site tasks.

Communication

Highly effective communication of concepts and theories is appropriate for the target audience. Technical information is presented accurately and delivered with clarity.

Tutor questions to candidate

Candidate responses
