Susie Brennan  
Portfolio Manager (Land)  
1 Giltspur Street  
London  
EC1A 9DD

30 July 2015

Dear Susie,

Davies Penralltddu is a family run farming company based in West Wales. We run over 600 acres of land and have a 320 cow dairy unit, rear our own dairy replacements and an intensive beef enterprise. In addition we also grow cereals and maize for our own consumption. We also have a contracting business covering all aspects of farm work and plant hire. We employ a number of full and part time staff ranging from an Apprentice to a fully qualified Engineer.

We fully understand the need for skilled staff and consequently would like to support the Level 3 Advanced Technical Extended Diploma in Agriculture (1080) offered by City and Guilds.

This qualification has been developed with the needs, relating to skills and knowledge, of the agriculture sector in mind and therefore the following have been included:

- Health and Safety
- Operation of all terrain and telescopic machinery
- Grassland production
- Pollution and waste control
- Dairy production
- Animal health and nutrition

We believe that the above practical skills and underpinning knowledge would give a young person an advantage when seeking employment and are essential for a new employee in the role of a Herdsperson.

We confirm that we consent to our company name (and logo) being made publicly available on the City & Guilds website.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Hywel Davies', with a stylized flourish at the end.

Hywel Davies

Director: Davies Penralltddu Ltd
