

EPA price list

Fees for all City & Guilds and ILM standards

Last modified October 2023

When you choose us for your EPA, you pay a small registration fee upfront and the balance once the EPA has taken place and results submitted. Our EPA service does not attract VAT.

From unrivalled technical and personal EPA support from our dedicated team to on-programme resources and assessment preparation for EPA – our high-quality support and assessment resources give apprentices the confidence to succeed.

If you're already a City & Guilds or ILM customer, just search the product codes on Walled Garden. If you have other questions or are a new customer, speak to one of our Business Managers.

Read more about our apprenticeship support resources dedicated EPA service at cityandguilds.com/apprenticeships-epa

About City & Guilds

Since 1878 we have worked with people, organisations and economies to help them identify and develop the skills they need to thrive. We understand the life changing link between skills development, social mobility, prosperity and success. Everything we do is focused on developing and delivering high-quality training, qualifications, assessments and credentials that lead to jobs and meet the changing needs of industry.

We work with governments, organisations and industry stakeholders to help shape future skills needs across industries. We are known for setting industry-wide standards for technical, behavioural and commercial skills to improve performance and productivity. We train teams, assure learning, assess cohorts and certify with digital credentials. Our solutions help to build skilled and compliant workforces.

Every effort has been made to ensure that the information contained in this publication is true and correct at time of going to press. However, City & Guilds' products and services are subject to continuous development and improvement and the right is reserved to change products and services from time to time. City & Guilds cannot accept responsibility for any loss or damage arising from the use of information in this publication.
