Questions and Answers

Transitioning to the new Hospitality Supervisor and Senior Chef Production apprenticeship standards

11 September 2017

How long will apprentices have to write up their business project?

Apprentices will have two months after the end-point assessment has started.

What's the cost of an end-point assessment resit?

Your Business Manager can provide costs for end-point assessment resits. The costs will be published on our apprenticeship webpages in due course. End-point assessment products will be available on Walled Garden from December.

When will on-programme support be available for Hospitality Team member and what will this include?

More information will be announced soon. Sign up to our [email alerts](#) to get the latest apprenticeship news and updates.
