City & Guilds Technical Qualifications

Exam timetable and submission deadlines for moderated assessments

The following document contains details of all the theory exams available for City & Guilds Technical qualifications in 2021, including Level 2 Technical Awards, Level 2 Technical Certificates, Level 3 Advanced Technical Certificates and Level 3 Advanced Technical Diplomas.

In addition it outlines the submission deadlines for moderated assessments in 2021.

1. Exam timetable

The timetable is listed by industry area.

These are dated exams available either as a paper-based exam or on the City & Guilds e-volve computer-based testing platform. Each exam is listed with its e-volve module number first, followed by its paper-based module number. For example:

Exam title	e-volve, Paper based exam numbers
Level 2 Electrical Installation - Theory exam	020, 520

The diagram shows a table with two columns: 'Exam title' and 'e-volve, Paper based exam numbers'. The first row contains 'Level 2 Electrical Installation - Theory exam' and '020, 520'. Below the table, there are two red-bordered boxes: 'e-volve exam' and 'Paper-based exam'. An arrow points from the 'e-volve exam' box to the '020' part of the numbers in the table. Another arrow points from the 'Paper-based exam' box to the '520' part of the numbers in the table.

Some exams are only offered on paper due to the nature of the exam content. Where this is the case their e-volve module number will be listed as 'N/A'.

On-demand exams are **not** available. **All** exams are dated entry.

All exams **must** be invigilated according to the *JCQ Instructions for conducting examinations*.

Level 2 candidates are allowed only **two** sittings of any particular exam (an initial sitting, and one re-take opportunity).

Level 3 candidates are allowed only **three** sittings of any particular exam (an initial sitting, and two re-take opportunities).

This applies whether the candidate sits the exam as a dated paper or dated e-volve exam. Candidates can take their second/third sitting on a medium that is different from their previous sitting(s), for example a candidate can sit their first sitting as a dated paper exam in March, and take their second or re-take sitting as a dated e-volve exam.

Starting times of dated exams

Each dated exam must be taken on the day and at the time shown on the timetable. The published starting time of all exams is either **9.30am** or **1.30pm**.

Candidates who finish the exam early must remain under supervision until **10.30am** for morning exams and **2.30pm** for afternoon exams.

Centres may **delay the starting time** of an exam within the scheduled session without notifying City & Guilds but candidates must be supervised from **10.00am** for morning exams or **2.00pm** for afternoon exams.

Candidates taking more than one exam in a session should take these consecutively. A **supervised** break may be given between the exams taken consecutively at the discretion of the centre.

In exceptional circumstances where the size of the cohort means that it is not possible for all candidates to sit the exam at the same time, centres may split the cohort with some of the cohort sitting the exam later than the published time, on the same day. The security of the exam must be maintained at all times. Candidates taking the exam at the later time must be **supervised** at all times, and must have no contact with those candidates who have already taken the exam. The exam must be undertaken on the same day as the scheduled exam timetable.

For information on any other timetable variations, please refer to the *JCQ Instructions for conducting examinations* or contact policy@cityandguilds.com
