Spring Series 2024: Results for 8202 Plumbing & Electrical qualifications

Technical Qualifications: 8202 spring exam results release

Dear Customer,

We have now released the final set of results to Walled Garden for the Spring exam series for City & Guilds Technical Qualifications. This is for Level 2 and Level 3 8202 Electrical and Plumbing exams taken in March 2024.

Results can also be released to learners today.

This concludes the release of all results for the Spring series.

Spring series 8202 exam results:
Wednesday 15 May 2024

Resit booking deadline (8202 only):
Friday 24 May 2024*

*Please note: once a booking window has closed, late fees will apply.

Please ensure where learners wish to resit the examination, you enter them for this as soon as possible and prior to the booking deadline for 8202 examinations, which is **Friday 24 May 2024**.

There is always a short turnaround period to place bookings for the June exams, but its important that you ensure bookings are made on time to ensure exam packs are received prior to the exam date.

We dispatch the exam papers immediately after each booking deadline. Bookings made after the deadline therefore risk not being received in time for the exam and learners being disadvantaged. Incorrect bookings will delay the marking process and may result in learners not being certificated in August.

We will be actively monitoring centres who make late bookings for the June exams and taking further action with our compliance team. Heads of centre are responsible for ensuring all bookings are placed as required and by the deadline.

The summer exam series runs from Tuesday 04 June until Wednesday 21 June. You can find the published exam dates here:

Principal examiner reports

Principal examiner reports will start to be published to our website qualification pages on the same day which results are published.

Technical Qualifications: spring exam series 2024		
Exams	Results released to Walled Garden	Principal examiner reports published
8202 Level 2 and Level 3 Plumbing and Electrical	Wednesday 15 May 2024	Wednesday 15 May 2024

These reports provide information on how learners performed for each assessment, including the final grade boundaries, the distribution of grades and the pass rate.

We strongly advise centres to read the examiner commentary to help understand where learners may need additional preparation for the next exam series.

You'll find these on the specific qualification pages under the 'Reports' drop-down menu within the 'Documents' tab of the specific qualification page.

City & Guilds will not publish question papers or marking schemes for 2024 examinations. Centres should refer to sample and past papers that are available on our website.
