Autumn 2023 Exam Results Information

Important: Results embargoed until Thursday 21 March 2024

Dear Centre,

We are pleased to confirm that results for the T Level autumn series have now been released. You can access results on Walled Garden via the T Level Result Slips.

Please remember, **you must** keep results confidential amongst the head of centre, senior leaders and examination staff until results can be released officially to learners on **Thursday 21 March 2024**. Results **must not** be shared with learners before this date.

IMPORTANT: Results are **EMBARGOED** and must not be shared with learners until 08:00am on Thursday 21 March 2024.

Please take the time to access our Registrations, Bookings, and Results Guide which provides step-by-step instructions on how to download the T Level Result Slips from Walled Garden.

Results Guide

It is important that centres avoid using existing reports in Walled Garden (such as candidate history, results listing, or certification listing) to view T Level results. They don't provide the detailed insights you will need. Instead, centres must download the T Level Result Slips in PDF format, which can also be downloaded in bulk. This makes it even easier for you to print and share with your learners on results day.

Results Support Materials

A wide range of support materials will be available for centres to access from **Thursday 21 March**:

Grading Guide and Quick Reference

The 'T Level Technical Qualification - Grading Guide' is available on our [T Levels Resource Hub](#). This document explains grading, the awarding process, Uniform Mark Scale (UMS), rules regarding re-takes, and other aspects.

Core Reports

Core Reports for each T Level Technical Qualification will be accessible. These reports offer valuable support and guidance, including grade (and notional) boundaries for the autumn 2023 assessments.

Autumn 2023 Assessment Materials

You can explore autumn 2023 assessment materials on the relevant qualification page of the City & Guilds website. You can access the following helpful documents to support you when analysing your results:

- Question papers*
- Mark schemes*
- Employer-Set-Project (ESP) materials
- ESP marking grid.

*These documents are password protected to support their use as formative assessment for future cohorts. The passwords are available on the relevant Walled Garden Catalogue pages.

Accessing learners' scripts and marks

As part of our post-results services, you'll be able to download and review learners' exam scripts to aid decisions on Review of Marking requests. These are published and available for download from the T Levels Service Portal:

T Levels Service Portal

Each exam script contains a summary page which provides a breakdown of question/item marks, any marker comments, and the total marks. For the Employer-Set Project, centres will be provided with the summary page only.

Guidance on how to find and download learners' scripts and the breakdown of marks can be found in [Registrations, Assessment Entries and Results Guide](#).

Post-results Services

Information regarding the T Level post-results services, including how to request a Review of Marking, is detailed within the Post-results services – T Level Technical qualifications guidance document below. There's a separate [application form](#) for T Levels.

The deadline for applications is **25 April 2024**. Full details regarding appeals and post-result services are available [here](#).
