T Levels results slip

You can find out how to access candidate Results Slips in the guide below:

It is important that centres avoid using existing reports in Walled Garden (such as candidate history, results listing, or certification listing) to view T Level results, as these reports don't provide the detailed insights you will need. Instead, centres must download the T Level Result Slips in PDF format, which can also be downloaded in bulk. This makes it easier for you to print and share with your learners on results day.

Example of the T Level Results Slip:

You can also access the T Levels Grading Guide using the link below.

This document explains the grading, awarding process, Uniform Mark Scale (UMS), rules regarding re-takes, and other aspects.

Results support materials

A wide range of support materials will be available for centres to access from **Thursday, 20 March.**

Core Reports

Core Reports for each T Level Technical Qualification will be accessible. These reports offer valuable support and guidance, including grade (and notional) boundaries for the Autumn 2024 assessments.

Autumn 2024 Assessment Materials

You can explore Autumn 2024 assessment materials on the relevant qualification page of the City & Guilds website. You can access the following helpful documents to support you when analysing your results:

- Question papers*
- Mark schemes*
- Employer-Set Project (ESP) materials
- ESP marking grid.

*These documents are password protected to support their use as formative assessments for future cohorts. The passwords are available on the relevant Walled Garden catalogue page.

Accessing students' scripts and marks

As part of our post-results services, you'll be able to download and review students' exam scripts to aid decisions on Review of Marking requests. These will be published and available for download from Walled Garden 10 working days after results are published. This means that they should be available no later than Wednesday, 02 April.

Find out how to access students' scripts and marks using the Walled Garden T Level guide below:

Walled Garden – T Level guide ▶

Each exam script contains a summary page which provides a breakdown of question/item marks, and the total marks. For the Employer-Set Project, centres will be provided with the summary page only.

Post-results services

Information regarding T Level post-results services, including how to request a Review of Marking, is detailed within the post-results services guidance document below. There is a separate application form for T Levels.

The deadline for applications is **24 April 2025**. Full details regarding appeals and post-results services are available here.
