Accessing Employer-Set Project and Occupational Specialism assessment material

Assessment material for Employer-Set Projects and Occupational Specialisms, which consists of the assignment brief and tasks, is made available for providers via the [T Level Service Portal](#).

The dates on which this assessment material is available to providers are detailed above.

If you need any help accessing this assessment material, or have a general query regarding this, please ensure you get in touch with the Quality team. Contact details can be found below.

Amendments to key dates schedules & Occupational Specialism resource list

Changes have been made to the key dates schedules for the T Level Technical Qualifications in Engineering & Manufacture for all pathways listed below:

[T Level Technical Qualification in Maintenance, Installation and Repair for Engineering and Manufacturing](#)

[T Level Technical Qualification in Engineering, Manufacturing, Process and Control](#)

[T Level Technical Qualification in Design and Development for Engineering and Manufacturing](#)

Please look at the version history of each key date schedule document to familiarise yourself with the changes made.

Key Dates Schedules for the 2024/25 academic year

We have now published the Key Dates Schedules for all City & Guilds T Level Technical Qualifications for the academic year 2024 to 2025.

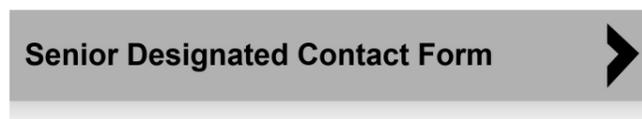

These can be found on our T Level Resource Hub:

VTQ Checkpoint reminder

The deadline for submission of Senior Designated Contacts was **Friday 23 February**. If you have already submitted your Senior Designated Contact form, then there is no further action for you to take at present.

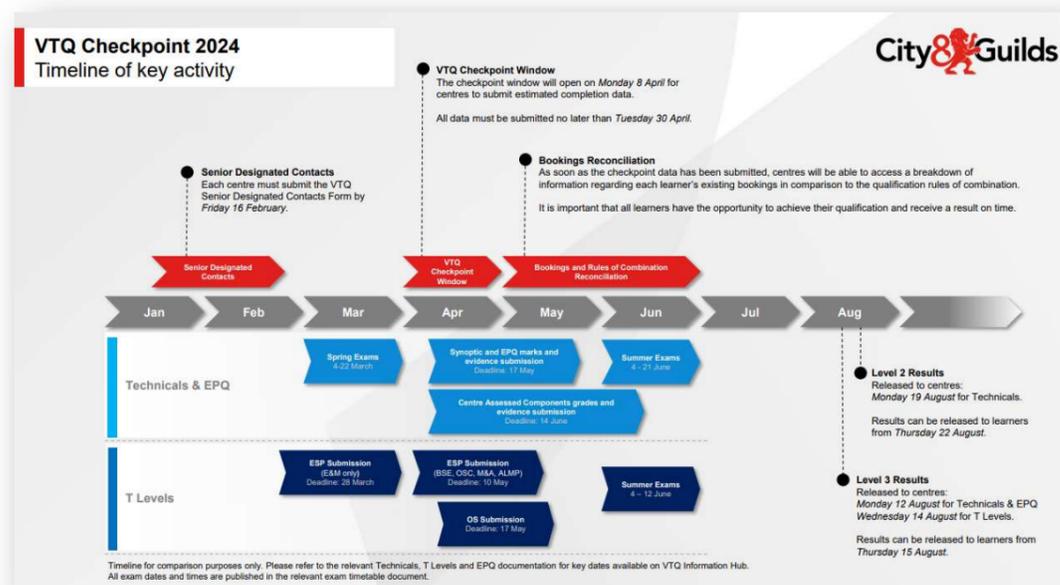

We will be contacting all centres who have not yet submitted the Senior Designated Contact form to ensure this activity is completed as soon as possible. Please access the form by clicking on the link below and submit your responses at your earliest convenience.

Please note, this is a **mandatory** part of Ofqual VTQ Timely Results plan.

You can locate all our VTQ communications for Technicals, T Levels and the Extended Project Qualification on our [VTQ Information Hub](#) within the [VTQ Communications](#) page.

A handy VTQ Checkpoint Timeline is on our [VTQ Timely Results](#) page to help you see the key activities at a glance.
