### VTQ Delivery of Results Checkpoints

There are two checkpoint windows in 2025.

Window 1 will open on *Monday 6 January* for centres to submit estimated completion data no later than *Friday 31 January*.

Window 2 will open on *Monday 24 March* for centres to reconfirm the original submissions made in window 1, making any amendments as necessary by *Friday 11 April*.

As soon as the checkpoint data has been submitted for each window, centres will be able to access a breakdown of information regarding each student's existing assessment entries in comparison to the qualification rules of combination. This continues across both checkpoint windows.

Timeline for comparison purposes only. Please refer to the relevant Technicals, T Levels and EPQ documentation for key dates available on VTQ Information Hub. All exam dates and times are published in the relevant exam timetable document.

Results can be released to students from *Thursday 14 August*.
