

City & Guilds Assured case study

Lavonne Academy

Bringing baking and pastry arts into the mainstream in India and creating world class ambassadors in the fields of Patisserie and Boulangerie with the support of City & Guilds.

Lavonne Academy provides training for around 1500 students each year across a curriculum of programmes including courses suitable for amateurs as well as those with industry experience. The courses are aligned with industry standards, ensuring that students learn the latest techniques, trends, and best practices to deliver a world class education and to help establish baking and patisserie as popular careers in the country.

Impact of Assured status

1611 learners have completed either City & Guilds or City & Guilds Assured courses to date.

Rigorous quality assurance of programmes ensures content is relevant and up to date.

Enhances student credentials and employability not only in India but also globally.
