5.09.2022	4.00 – 5.00	NEW City & Guilds Level 3 Advanced Beauty Therapist Qualification	https://attendee.gotowebinar.com/register/5839193316090623759

2. KS4 Level 2 Technical Award

The following Level 2 Technical Award will be closing for registrations this summer. This version **will not** count towards the **2024** Performance Tables (PT).

City & Guilds number	QN	Technical Qualification title	Last reg date	Last cert date	Last assessments
3038-21	601/7247/2	City & Guilds Level 2 Technical Award in Hair and Beauty Studies	31.07.22	31.12.24	Summer 2024

NEW – City & Guilds KS4 Level 2 Technical Award - on **2024** Performance Tables

For new learners starting in **September 2022**, please ensure that you register on the new qualification to ensure that you are using the most up-to-date version, which will count in the 2024 Performance Tables.

Please note: new handbook is on the website

The City & Guilds qualification **number and the QN** have changed, but the titles of the qualifications remain the same. There is no content change.

City & Guilds number	QN	Technical Qualification title	First reg date	First assessments	Last reg date	Last cert date
3038-24	610/0656/7	City & Guilds Level 2 Technical Award in Hair and Beauty Studies	1 Aug 2022	Summer 2024	1 Aug 2025	31 Aug 2028

There are a number of new features in the updated Technical Awards. These have been introduced to meet new design principles set out by the Department for Education (DfE) and to ensure compliance and approval for the 2024 Performance Tables.

There will no longer be a Spring exam series - instead there will be a Summer and Autumn exam series

- There will be a paper-based version of the exam only, and a synoptic assignment
- The 'Terminal assessment' rule will apply.

For the KS4 2024 Performance table qualifications, Ofqual introduced the requirement for a 'terminal rule' relating to the examination which specifies:

For the updated Technical Awards, due to their assessment structure, this means that both the examination and synoptic assessment must take place at the end of the programme.

Details of assessment dates will be published in the assessment and examination timetable.

To allow candidates to certificate within the KS4 year if they fail the examination on their first attempt, we have amended the grading arrangements (see Grading section in the qualification handbook); removing the requirement to pass the assessments for certification.

Very important

City & Guilds KS4 Level 2 Technical Awards – NEED to KNOW

- ✓ For the updated Technical Awards at KS4, both the examination and synoptic assessment must take place at the end of the programme.
- ✓ Details of assessment dates will be published in the assessment and examination timetable.
- ✓ To allow candidates to certificate within the KS4 year if they fail the examination on their first attempt, we have amended the grading arrangements (see Grading section in the qualification handbook); removing the requirement to pass the assessments for certification.

Qualification approval

- ✓ These new qualifications have new **QNs and POs** numbers, and meet the new rules set by DfE.
- ✓ However, as the content for assessment has **not changed**, the centre requirements for approvals means that if, as a centre, you already have approval for the current versions, there will be automatic approval onto the new versions.
- ✓ For all new centres, or those that have not offered the KS4 Technicals Awards previously, centre and/or qualification approval will be required following the normal process.

3. Update – NEW Level 3 Advanced Beauty Therapist Standard

Our City & Guilds Level 3 Advanced Beauty Therapist Standard On-Programme solution and End-Point Assessment is on its way.

On-programme solution – we are in the process of developing a qualification for to use that will be mapped directly to this new apprenticeship standard. This qualification will support the apprentice working towards their end-point assessment.

These are some of the potential units we are developing.

4. ACHP Price Review

Level 3 Advanced and Creative Hair Professional EPA NEW price from 1st May 2022

We have recently carried out a review of our End Point Assessment pricing for the Advanced and Creative Hair Professional apprenticeship standard (9014-12). In light of this, please be advised that from 1st May 2022 the following new prices will apply for apprentices.

Registration for EPA - £40.00.

Title	Description
Documentation	The more apprentices you book onto the same events, the lower the price per apprentice it will cost. For 1 apprentice £560 For 2 apprentices £810
	For one apprentice - Resit practical £435, resit knowledge test £25 and resit professional discussion £100
	For two apprentices - Resit practical £685, resit knowledge test £25 and resit professional discussion £100

5. Update – Level 2 Hair Professional Standard Review

The new/revised Level 2 Hair Professional hairdressing and barbering standards were submitted, by the steering group, to the institute in May 2022.

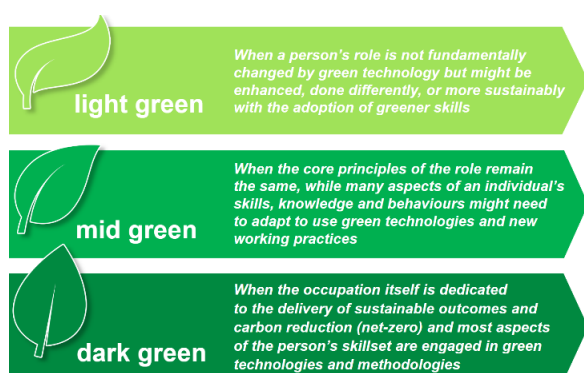

We are anticipating hearing from the steering group as to whether these have been approved, what the new funding bands will be etc over the next couple of months.

There will be a period of time where we will be actively updating both our On-programme and End-Point Assessment offers in line with the newly approved standards.

Following approval and our products and services updates we will be running a series of webinars and network events to support the transition to these new standards.

6. Green Award

The green agenda will affect most occupations and industries, with different levels of skills and sustainability outcomes...

City & Guilds have developed a solution to support knowledge and understanding in climate change, sustainability and the environment.

This NEW award will be available for first registrations September 2022. Shortly followed by our NEW certificate in December 2022.
