The contents of this document are confidential and proprietary to City & Guilds. This document and associated consultation documents may only be provided to such employees or consultants of your organisation who need to view this document for the purposes of responding to this consultation, provided that you inform such persons of the confidential nature of this document and obtain their written agreement to preserve its confidentiality.

1 Overview

- 1.1 City & Guilds is seeking to consult with the Construction Industry on the content and assessments for qualifications that have been developed as part of the Trailblazer Apprenticeship Standards for Bricklayer/ Plasterer.
- 1.2 This consultation relates to the following new qualifications:
 - Level 3 Bricklaying
 - Level 3 Plastering
- 1.3 The Standard for the Plasterer Apprenticeship has been submitted and accepted while the Standard for the Bricklayer Apprenticeship has been submitted, but an outcome has not yet been given from DfE.

2 Consultation documentation and process

- 2.1 In addition to this document, the following documents are available for each qualification:
 - Indicative content for each trade area (Brick and Plaster), which includes the proposed qualification structures (for providers/centres and employers)
 - Centre consultation form (for providers/centres to complete)
 - Employer consultation form (for employers to complete)
- 3.2 The timescales for the consultations for these qualifications are as follows:

Documents and consultation available now
Please feed your comments back by 20 November 2016.

A separate document outlining the structure and units is available for each trade area (brick and plaster), but the consultation forms covers both qualifications. Please tick which qualification you are responding to.

If you have any queries about the consultation or the process, please email construction@cityandguilds.com.

Please email all responses back to this email address.
