Resources

This package contains tutor materials as well as a complete set of learner-facing materials.

The tutor materials, which will be available in April 2018, have been designed to help tutors deliver either from the non-mandatory qualification or directly from the apprenticeship standard. They offer:

- comprehensive schemes of work
- detailed PowerPoints
- worksheets
- practice questions
- skills scan to check/ensure that the each apprentice's job description matches the programme.

The learner-facing materials are based around the tasks in the Apprenticeship Training Manual (which are based around the apprenticeship standard) but also contain video-based e-learning quizzes and knowledge content for learners to work through independently. They are made up of:

- dedicated content covering underpinning knowledge requirements
 - structured tasks for learners to complete
 - over 30 video-based e-learning quizzes on key concepts and which give learner feedback.
