The screenshot displays the City & Guilds SmartScreen website. At the top left is the City & Guilds logo, and to its right is the 'SmartScreen' title. A search bar at the top right contains the text 'Search all courses' and a magnifying glass icon. Below the title, there are navigation links: 'MY SUBJECTS', 'CENTRE ADMIN', 'REPORTS', and 'LOGOUT'. A breadcrumb trail reads 'My Subjects > Maths and English'. On the left, a 'SUBJECTS' menu lists 'English', 'Maths', 'ESOL', 'Functional Skills', and 'Maths and English' (which is highlighted in blue). Below this menu is a 'SUBJECTS' dropdown showing 'M Maths' and 'E English'. The main content area features an 'INTERACTIVE ACTIVITY 2: Converting money between currencies'. The activity text states: 'For this activity, you will be changing money between currencies. You should work by yourself to select the correct answer to the question. 1) The exchange rate between pounds sterling (£) and euros (€) is £1 €1.32. Match the appropriate amount in euros to the amount in pounds.' Below the text are five currency amounts: '€ 132', '€ 158', '€ 290', '€ 502', and '€ 594'. A 'Choice' section shows 'A) £100' selected. The score is '0 points out of 0'. To the right of the activity are two video thumbnails: one featuring a man and another featuring a woman, both with play buttons.

Results

For learners

More flexibility

Reduce travel costs and time; exams can take place at home or in the workplace

Reduce exam anxiety by performing test in familiar environment

Only one device (PC or laptop) needed to take the test

For centres

Continuity of testing in event of disruption, extreme weather conditions, Covid 19

Reduced pressure on testing rooms on site

Reduced internal invigilator staff costs

Increased delivery with more testing opportunities

Centre analytics

- Allows candidate performance data from e-volve tests to be aggregated and interrogated.
- Also provides access to performance code information and candidates' raw marks for **paper** Functional Skills exams.

Quick Poll

Were you aware that a learner will be allocated a digital credential, once they have passed their Functional Skill exam?

- Yes
- No

Digital credentials

More than a line on a CV, digital credentials provide **verifiable proof of an achievement**.

All the information is packed into an image file that can be displayed via online CVs and social networking sites such as LinkedIn, Facebook or Twitter.

Free and easy to set up- just add learners' personal email address during the registration on Walled Garden.

About City & Guilds

Founded in 1878 to develop the knowledge, skills, and behaviours needed to help businesses thrive, we offer a broad and imaginative range of products and services that help people achieve their potential through workbased learning. We believe in a world where people and organisations have the confidence and capabilities to prosper, today and in the future. So we work with likeminded partners to develop the skills that industries demand across the world.

About ILM

ILM is the leading specialist provider of leadership qualifications in the UK. Last year, over 70,000 people enhanced their skills and performance with ILM, including 14,000 management apprentices. We believe that great leaders can come from anywhere. With the right support, anyone can grow and develop to make a real difference to their team and organisation. Which is why we help individuals from all levels to realise and apply their potential, so that the organisations they work for can reap the benefits.
