Taking the test

Paper based

Paper based exams

Offering a more traditional style of testing for your learners. Giving them flexibility to use the exam format that is best suited for their needs.

Onscreen

e-volve

Helps your learners to sit tests and exams securely and easily. Can be used online or taken offline, giving greater flexibility to download to laptop or PC.

Click [here](#) for more information

Remote Invigilation

Live remote invigilation

Allows tests on our e-volve platform to be taken from home or in the workplace, giving more flexibility to your candidates and removing the need to travel to a test centre. Click [here](#) for more details.

A quick poll

Were you aware that we offer a Remote Invigilation service?

- Yes
- No
- Not heard of this service

If you are not able to take part in the polls, please feel free to add to the Q&A during the live webinar. Alternatively, you can email your responses to:

pre-employment@cityandguilds.com

Remote invigilation

For learners

More flexibility

Reduce travel costs and time; exams can take place at home or in the workplace

Reduce exam anxiety by performing test in familiar environment

Only one device (PC or laptop) needed to take the test

For centres

Continuity of testing in event of disruption, extreme weather conditions, Covid 19

Reduced pressure on testing rooms on site

Reduced internal invigilator staff costs

Increased delivery with more testing opportunities

Centre analytics

- Allows candidate performance data from e-
volve tests to be aggregated and interrogated.
- Also provides access to performance code
information and candidates' raw marks for
paper Functional Skills exams.

WORKING WITH US >

e-evolve centre analytics is a new, free online results analysis tool for City & Guilds centres, that gives you in depth analysis of your learners' performance for evolve tests.

With just a few clicks e-evolve centre analytics will allow you to display your e-evolve test data, in an easy to understand format. You will be able to analyse by date ranges, qualifications and units, view in various layouts and export for further analysis.

An overview of e-evolve centre analytics

A learner's journey

Supporting them to become maths and English exam ready

27-Sep-22

A quick poll

Were you aware that a learner will be allocated a digital credential, once they have passed their Functional Skill exam?

- Yes
- No
- Not heard of these

If you are not able to take part in the polls, please feel free to add to the Q&A during the live webinar. Alternatively, you can email your responses to:

pre-employment@cityandguilds.com

Digital credentials

Validate skills and achievements anywhere, anytime with a digital credential

We know that colleges and training providers are dedicated to helping learners prepare for life and work beyond their education, and employers are increasingly valuing skills as their hiring criteria. A way to enable and support 'learners' progress to employment or higher education is through digital credentials.

About City & Guilds

Founded in 1878 to develop the knowledge, skills, and behaviours needed to help businesses thrive, we offer a broad and imaginative range of products and services that help people achieve their potential through workbased learning. We believe in a world where people and organisations have the confidence and capabilities to prosper, today and in the future. So we work with likeminded partners to develop the skills that industries demand across the world.

About ILM

ILM is the leading specialist provider of leadership qualifications in the UK. Last year, over 70,000 people enhanced their skills and performance with ILM, including 14,000 management apprentices. We believe that great leaders can come from anywhere. With the right support, anyone can grow and develop to make a real difference to their team and organisation. Which is why we help individuals from all levels to realise and apply their potential, so that the organisations they work for can reap the benefits.
