Wednesday 13<sup>th</sup> July 2016

Dear Emma,

As a beauty therapy employer I support this following qualification for young people wishing to progress into the beauty therapy Industry.

I have worked with City & Guilds as part of their National Advisory Committee (NAC) on the development of this beauty therapy qualification in terms of consultation and scoping. I am therefore satisfied that the content meets both our needs as an employer in this sector and those of the young people taking it who are preparing for a career in the beauty therapy Industry.

I feel that the following qualification is suitable for a young person between the ages of 16-19 studying full time and will give that young person an advantage when going on to applying for a job or progressing onto further education or training.

- **City and Guilds Level 2 Technical Certificate in Beauty Therapy**

I believe that this qualification is suitable for someone wanting to work as a Beauty Therapist and as such is recognised by the industry.

As a qualified Beauty Therapist the industry will require that all the necessary level 2 skills are covered. The following qualification allows the learner to gain these essential skills and knowledge:

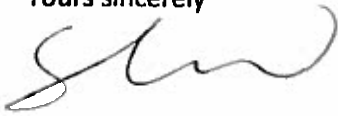

- Anatomy & Physiology
- Principles of practice for Beauty Therapists
- Hair removal treatments
- Facial and skin analysis
- Manicure treatments
- Pedicure treatments
- Light cured gel polish
- Lash and Brow treatments
- Apply make up services

I feel that once the learner has gained this qualification which covers a sound understanding and key practical skills for the beauty industry they could take the position as a:

- Beauty Therapist

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City and Guilds websites.

Yours sincerely

Miss Leanna Kew.  
Spa Manager
