

Wednesday 6th July 2016

Dear Emma,

The Spa at Hale Country Club is a luxury destination spa that includes a gymnasium, indoor/outdoor pool, rooftop wellness pool, sauna and steam rooms and champagne lounge. We provide a vast range of treatments to our clientele. In turn, The Spa at Hale Country Club employs a range of expert beauty/spa, nail and complementary therapists from a wide range of backgrounds. Our standards are high and we seek excellence.

We would like to support the following City and Guilds qualification:

Title: City and Guilds Level 2 Technical Certificate in Beauty Therapy

This qualification has been developed with the needs, relating to skills and knowledge, of the beauty therapy sector in mind and therefore the following have been included:

- Anatomy & Physiology
- Principles of practice for Beauty Therapists
- Hair removal treatments
- Facial and skin analysis
- Manicure treatments
- Pedicure treatments
- Light cured gel polish
- Lash and Brow treatments
- Apply make up services

We believe that the above practical skills and underpinning knowledge would give a young person an advantage when seeking employment and are essential for a new employee in the role of a Beauty Therapist. We support the development of this City and Guilds Technical qualification and feel that it is fit for purpose across the beauty industry.

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City and Guilds websites.

Yours sincerely,

Sasha Fillaudeau
Spa Manager – Hale Country Club
