Dear Emma,

For more than 30 years, Dermalogica has redefined professional excellence in the skin care industry. Dermalogica is a skin care company with a product portfolio that includes daily regimen products such as cleansers, exfoliants, toners, masques, eye treatments and moisturisers, along with a broad Professionals Only line for executing advanced professional treatments. Dermalogica has primary operations in the United States, United Kingdom, Australia, Ireland and Canada and is sold in more than 80 countries worldwide.

We would like to support the following City & Guilds qualification:

Title: City and Guilds Level 2 Technical Certificate in Beauty Retail

The following practical skills and knowledge are included in this qualification and are essential for a young person when looking to be employed as a Beauty Retailer:

- Working in the beauty retail industry
- Communication and customer service
- Sales and promotional activities
- Skin care for beauty retail
- Make-up for beauty retail
- Retail of additional products for beauty retail

We feel that once the learner has achieved this qualification they would have an advantage when seeking employment in the position of a Beauty Retailer.

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City and Guilds websites.

Yours sincerely,

Candice Gardner
