Dear Emma,

Steiner is the largest and most renowned company that operates spas at sea. We have offered quality spa and salon services at sea for over 50 years and employ over 2000 spa professionals every year to travel while they work. Steiner offers cruise ship jobs, recruitment and training for spa, beauty, massage, fitness instructors, acupuncturists, hairdressers, nail technicians and receptionists for our spas onboard luxury cruise ships. Our cruise ships sail all over the world.

We would like to support the following City and Guilds qualification:

Title: City and Guilds Level 3 Advanced Technical Diploma in Nail Technology (450)

This qualification has been developed with the needs, relating to practical skills and knowledge, of the nail technology sector in mind. Mandatory skills include, Promote and sell products and services to clients, Apply and maintain nails using light cured gel, including hard gel nails, Apply and maintain liquid and powder enhancements, Chemistry of nail products, Design and apply nail art using a design brief, Anatomy and physiology for hands and feet, Research on nail trends, Gel polish and Business and finance.

We believe that the above skills and underpinning knowledge would give a young person an advantage when seeking employment and are essential for a new employee in the role of:

Fully qualified Senior Nail Technician

We support the development of this City and Guilds Technical qualification and feel that it is fit for purpose across the nail technology industry.

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City and Guilds websites.

Yours sincerely,

Debbie Pritchard
Head of International Recruitment
