

Dear Centre

In the last few weeks we have seen a lot of interest from centres wanting to offer individual stand alone units from a number of our Framework qualifications including Plumbing (6189), HAV (6188) and Environmental Technology (2399).

All these qualifications have been set up with unit routes (e.g. 2399-91) which allow centres to register any learners for £0 registration fee with only a small fee attached to each of the individual units for the relevant assessment/online test (from £11.00 per unit). Learners achieving each unit will be issued with a certificate of unit credit for each unit achieved (no extra charge).

Centres should note

All centres are given automatic approval for unit routes as part of full approval for the qualification.

Any entry candidate requirements as laid down by the SSC or City and Guilds still apply to the unit route.

If you have any further queries then please contact [darren.quinn@cityandguilds.com](mailto:darren.quinn@cityandguilds.com).

Regards

The BSE Team
