This new textbook is the essential accompaniment to the Level 2 NVQ Diploma in Domestic Plumbing and Heating. It maps directly to the new NVQ standards, covering all the knowledge and skills needed for the City & Guilds online exams and practical assessments. Processes are explained in clear language, while step-by-step photographs and diagrams provide an unambiguous visual aid to best practice in plumbing.

This is the most comprehensive Level 2 textbook available, covering all the core units and linked throughout to our online learner and tutor resources on SmartScreen.co.uk. Written by an expert teacher with over 30 years' experience in the plumbing trade, this is an invaluable reference guide for learners and an essential tool for tutors delivering the qualification.

The textbook includes:

- comprehensive coverage of the qualification, written with access to the City & Guilds question banks
- step-by-step photo guides and detailed diagrams
- full-colour pictures of all tools and techniques
- suggested activities to aid learning
- tests in every chapter to reinforce knowledge
- links throughout to online resources for learners and tutors on www.smartscreen.co.uk
- easy-to-use layout and eye-catching design.
