

7139 Practical Cleaning Skills Update - July 2014

City & Guilds currently offer 24 award size qualifications at different levels (Entry 3, Level 1, 2 & 3). These awards are listed below. These qualifications are open for registration until 31 May 2017, however, for funding purposes centres are encouraged to register adult learners prior to the 31 July 2014 on the awards.

Due to centre requests we are developing some additional awards and certificates in Practical Cleaning Skills, and this document details the proposed new qualifications and sizes. These qualifications will meet the new funding rules for the adult skills budget and fast track approval will be available to all centres currently offering the awards.
