- 2.1 Develop the aims and purpose of the provision to meet identified needs
- 2.2 Plan how the aims and purpose of the provision will be achieved
- 2.3 Provide detailed, factual and accessible information to others about the provision.

Unit 161

Develop provision for family support

Outcome 3

Be able to implement provision for family support

Assessment Criteria

The learner can:

- 3.1 Work with families and others to identify the specific provision required to meet their needs
- 3.2 Support workers to identify a range of interventions, tools and resources available to meet the needs of families
- 3.3 Monitor workers practice in the provision of family support
- 3.4 Provide constructive feedback to workers on practice in provision of family support
- 3.5 Work with families and others to evaluate how their needs have been met by provision
- 3.6 Ensure that information that will be shared with others is clarified with families.

Unit 161

Develop provision for family support

Outcome 4

Be able to support others to establish positive relationships with families

Assessment Criteria

The learner can:

- 4.1 Explain the principles of establishing positive relationships with families
- 4.2 Support workers to use a solution focussed approach to address difficulties in establishing relationships with families
- 4.3 Support workers to share best practice in relation to establishing positive relationships with families.

Unit 162

Lead support for disabled children and young people and their carers

Level: 6
Credit value: 8
UAN number: M/602/2380

Unit aim

The purpose of this unit is to assess the learner's knowledge, understanding and skills that are required to support others to lead service provision that supports disabled children and young people and their carers.

Learning outcomes

There are **four** learning outcomes to this unit. The learner will:

1. Understand how legislation and policy influences provision for disabled children and young people and their carers
2. Understand the potential impact of disability on children and young people and their carers
3. Be able to lead child and young person centred provision
4. Be able to work in partnership with others to promote services for children and young people and their carers

Guided learning hours

It is recommended that **57** hours should be allocated for this unit, although patterns of delivery are likely to vary.

Details of the relationship between the unit and relevant national standards

This unit is linked to

CCLD414 Co-ordinate and support provision for disabled children and those with special educational needs.

Support of the unit by a sector or other appropriate body

This unit is endorsed by Skills for Care and Development.

Assessment

This unit will be assessed by:

- A portfolio of evidence.

Learning Outcomes 2 and 3 must be assessed in the work setting.

Unit 162

Lead support for disabled children and young people and their carers

Outcome 1

Understand how legislation and policy influences provision for disabled children and young people and their carers

Assessment Criteria

The learner can:

- 1.1 Evaluate how emergent thinking and research have influenced legislation and policy over time
- 1.2 Evaluate how the development of legislation and policies has influenced current provision.

Unit 162 **Lead support for disabled children and young people and their carers**

Outcome 2 Understand the potential impact of disability on children and young people and their carers

Assessment Criteria

The learner can:

- 2.1 Research the prevalence and cause of disabilities in children and young people
- 2.2 Explain how disabilities may impact on children and young people
- 2.3 Explain how disabilities experienced by children and young people may impact on carers
- 2.4 Explain how early intervention is linked to positive outcomes for disabled children and young people and their carers.

Unit 162 Lead support for disabled children and young people and their carers

Outcome 3 Be able to lead child and young person centred provision

Assessment Criteria

The learner can:

- 3.1 Explain the features of child and young people centred provision
- 3.2 Promote an ethos that focuses on the child or young person rather than the disability
- 3.3 Lead work with children and young people to develop accessible information about service provision
- 3.4 Lead child and young person centred assessments that focus on strengths and abilities to identify the support required
- 3.5 Work with **others** to plan provision that meets the identified needs of children and young people
- 3.6 Implement provision that meets the identified needs of children and young people
- 3.7 Evaluate with children and young people and their carers how well the service provision meets their needs.

Additional Guidance

Others may include:

- Workers / Practitioners
- Colleagues
- Carers
- Volunteers
- Students
- Other professionals
- Advocates

Unit 162

Lead support for disabled children and young people and their carers

Outcome 4

Be able to work in partnership with others to promote services for children and young people and their carers

Assessment Criteria

The learner can:

- 4.1 Analyse how specialist agencies and other professionals impact on wider opportunities for children and young people and their carers
- 4.2 Share information with others to promote the wellbeing and positive outcomes for children, young people and their carers
- 4.3 Work in partnership with others to obtain additional support for children, young people and their carers.

Level: 6
Credit value: 8
UAN number: F/602/2383

Unit aim

The purpose of this unit is to assess the learner's knowledge, understanding and skills that are required to support others to promote children's communication in an early years setting.

Learning outcomes

There are **five** learning outcomes to this unit. The learner will:

1. Understand the impact of research on the development of children's communication skills in early years settings
2. Be able to facilitate the assessment of children's communication, language and literacy in early years settings
3. Be able to manage an environment in early years settings that promotes children's communication, language and literacy development
4. Be able to lead others in engagement with children that promotes communication, language and literacy development
5. Be able to manage programmes to support children's communication, language and literacy development in early years settings

Guided learning hours

It is recommended that **54** hours should be allocated for this unit, although patterns of delivery are likely to vary.

Details of the relationship between the unit and relevant national standards

This unit is linked to

CCLD 409 Evaluate, assess and support children's communication.

Support of the unit by a sector or other appropriate body

This unit is endorsed by Skills for Care and Development.

Assessment

This unit will be assessed by:

- A portfolio of evidence.

Learning Outcomes 2, 3, 4 and 5 must be assessed in the work setting.

Unit 163

Support others to promote children's communication in an early years setting

Outcome 1

Understand the impact of research on the development of children's communication skills in early years settings

Assessment Criteria

The learner can:

1.1 Analyse how research has impacted on:

- provision for children's communication, language and literacy development
- workplace procedures and practices
- own professional practice.

Unit 163

Support others to promote children's communication in an early years setting

Outcome 2

Be able to facilitate the assessment of children's communication, language and literacy in early years settings

Assessment Criteria

The learner can:

- 2.1 Identify the **relevant curriculum and assessment frameworks** against which children's communication, language and literacy development will be measured
- 2.2 Facilitate the assessment of children's communication, language and literacy skills
- 2.3 Involve **others** in the development and implementation of assessment processes
- 2.4 Support others to recognise and celebrate children's achievement
- 2.5 Support **practitioners** to recognise and refer issues and areas of concern.

Additional Guidance

Relevant curriculum and assessment frameworks

Those which operate in the specific home country.

Look for

- What information and resources are required
- What planning and implementation arrangements are required

Others may include:

- Children or young people
- Workers / Practitioners
- Colleagues
- Carers
- Volunteers
- Students

Practitioners could include:

- Workers
- Colleagues

Unit 163

Support others to promote children's communication in an early years setting

Outcome 3

Be able to manage an environment in early years settings that promotes children's communication, language and literacy development

Assessment Criteria

The learner can:

- 3.1 Evaluate the suitability of the environment and resources of early years settings to promote children's communication, language and literacy development
- 3.2 Make recommendations for improvements to the environment and resources of the early years setting to promote children's communication, language and literacy development
- 3.3 Support others to develop a stimulating learning environment to promote children's communication, language and literacy development.

Unit 163

Support others to promote children's communication in an early years setting

Outcome 4

Be able to lead others in engagement with children that promotes communication, language and literacy development

Assessment Criteria

The learner can:

- 4.1 Assess the quality of interactions with children
- 4.2 Support others to make improvements to practice.

Unit 163

Support others to promote children's communication in an early years setting

Outcome 5

Be able to manage programmes to support children's communication, language and literacy development in early years settings

Assessment Criteria

The learner can:

- 5.1 Ensure the planning and development of programmes **maximises opportunities** for children's communication, language and literacy development
- 5.2 Support others to implement programmes that develop children's communication, language and literacy
- 5.3 Support others to evaluate the effectiveness of programmes that develop children's communication, language and literacy
- 5.4 Support practitioners to involve children and their carers in evaluating programmes that develop children's communication, language and literacy
- 5.5 Make recommendations for changes to programmes to develop children's communication, language and literacy.

Additional Guidance

Maximise opportunities

Consider

- Ages, Needs, Abilities
- Approaches, strategies and guidance in own home country
- Strategies to adapt practice to provide additional support as required
- How to incorporate activities to support knowledge and understanding of the world into areas of play, imagination and learning
- Use of the wider environment, natural landscapes, urban landscapes

Unit 164

Support others to promote children's mathematical development and problem solving skills in an early years setting

Level: 5
Credit value: 7
UAN number: A/602/2138

Unit aim

The purpose of this unit is to assess the learner's knowledge, understanding and skills that are required to support others to promote children's mathematical development and problem solving skills in an early years setting.

Learning outcomes

There are **four** learning outcomes to this unit. The learner will:

1. Understand the impact of research on the development of children's mathematical and problem solving skills in early years settings
2. Be able to facilitate the assessment process of children's mathematical and problem solving skills in early years settings
3. Be able to manage an environment in early years settings that promotes children's mathematical and problem solving skills
4. Be able to manage programmes to support children's mathematical and problem solving skills development in early years settings

Guided learning hours

It is recommended that **46** hours should be allocated for this unit, although patterns of delivery are likely to vary.

Details of the relationship between the unit and relevant national standards

This unit is linked to

CCLD 411 Evaluate, assess and support children's mathematical learning, exploration and problem solving.

Support of the unit by a sector or other appropriate body

This unit is endorsed by Skills for Care and Development.

Assessment

This unit will be assessed by:

- A portfolio of evidence.

Learning outcomes 2, 3, 4 must be assessed in the work setting.

Unit 164 **Support others to promote children’s mathematical development and problem solving skills in an early years setting**

Outcome 1 Understand the impact of research on the development of children's mathematical and problem solving skills in early years settings

Assessment Criteria

The learner can:

1.1 Analyse how research has impacted on:

- Provision for children’s mathematical and problem solving skills
- workplace procedures and practices
- own professional practice.

Unit 164 Support others to promote children's mathematical development and problem solving skills in an early years setting

Outcome 2 Be able to facilitate the assessment process of children's mathematical and problem solving skills in early years settings

Assessment Criteria

The learner can:

- 2.1 Identify the **relevant curriculum and assessment frameworks** against which children's mathematical and problem solving skills development will be measured
- 2.2 Facilitate the assessment of children's mathematical and problem solving skills development
- 2.3 Involve **others** in the development and implementation of assessment processes
- 2.4 Support others to recognise and celebrate children's achievement
- 2.5 Support **practitioners** to recognise and refer appropriately issues and areas of concern.

Unit 164 **Support others to promote children’s mathematical development and problem solving skills in an early years setting**

Outcome 3 Be able to manage an environment in early years settings that promotes children’s mathematical and problem solving skills

Assessment Criteria

The learner can:

- 3.1 Evaluate the suitability of the environment and resources of early years setting to promote children's mathematical and problem solving skills
- 3.2 Make recommendations for improvements to the environment and resources of the early years setting to promote children's mathematical and problem solving skills development
- 3.3 Support others to develop a stimulating learning environment to promote children’s mathematical and problem solving skills.

Unit 164 Support others to promote children's mathematical development and problem solving skills in an early years setting

Outcome 4 Be able to manage programmes to support children's mathematical and problem solving skills development in early years settings

Assessment Criteria

The learner can:

- 4.1 Ensure the planning and development of programmes **maximises opportunities** for children's mathematical and problem solving skills development
- 4.2 Support others to implement programmes that develop children's mathematical and problem solving skills
- 4.3 Support practitioners to involve children and their carers in evaluating programmes that develop children's mathematical and problem solving skills
- 4.4 Support others to evaluate the effectiveness of programmes that develop children's mathematical and problem solving skills
- 4.5 Make recommendations for changes to programmes to develop mathematical and problem solving skills.

Additional Guidance

Unit 165

Support others to promote children's knowledge and understanding of the world in an early years setting

Level: 5
Credit value: 7
UAN number: A/602/2141

Unit aim

The purpose of this unit is to assess the learner's knowledge, understanding and skills that are required to support others to promote children's knowledge and understanding of the world in an early years setting.

Learning outcomes

There are **four** learning outcomes to this unit. The learner will:

1. Understand the impact of research on the development of children's knowledge and understanding of the world in early year settings
2. Be able to facilitate the assessment process of children's knowledge and understanding of the world in early years settings
3. Be able to manage indoor and outdoor environments in early years settings that promotes children's knowledge and understanding of the world
4. Be able to manage programmes to support children's knowledge and understanding of the world in early years settings

Guided learning hours

It is recommended that **46** hours should be allocated for this unit, although patterns of delivery are likely to vary.

Details of the relationship between the unit and relevant national standards

This unit is linked to the

CCLD 403 Support programmes for the promotion of children's development

CCLD 407 Support and evaluate the curriculum for children's early learning

CCLD 408 Evaluate, assess and support the physical, intellectual, emotional and social development of children

CCLD 419 Contribute to the enhancement of early education for children.

Support of the unit by a sector or other appropriate body

This unit is endorsed by Skills for Care and Development.

Assessment

This unit will be assessed by:

- A portfolio of evidence.

Learning outcomes 2, 3, 4 must be assessed in the work setting.

Unit 165 **Support others to promote children’s knowledge and understanding of the world in an early years setting**

Outcome 1 Understand the impact of research on the development of children's knowledge and understanding of the world in early year settings

Assessment Criteria

The learner can:

- 1.1 Analyse how research has impacted on:
- provision for children’s knowledge and understanding of the world
 - use of outdoor spaces within local environment
 - workplace procedures and practices
 - own professional practice.

Unit 165 Support others to promote children’s knowledge and understanding of the world in an early years setting

Outcome 2 Be able to facilitate the assessment process of children’s knowledge and understanding of the world in early years settings

Assessment Criteria

The learner can:

- 2.1 Identify the **relevant curriculum and assessment frameworks** against which children’s development of knowledge and understanding of the world will be measured
- 2.2 Facilitate the assessment of children's knowledge and understanding of the world
- 2.3 Involve others in the development and implementation of assessment processes

Unit 165 **Support others to promote children’s knowledge and understanding of the world in an early years setting**

Outcome 3 Be able to manage indoor and outdoor environments in early years settings that promotes children’s knowledge and understanding of the world

Assessment Criteria

The learner can:

- 3.1 Evaluate the suitability and safety of the indoor environment and resources of early years setting to promote children's knowledge and understanding of the world
- 3.2 Evaluate the suitability and safety of the outdoor environment and resources of early years setting to promote children's knowledge and understanding of the world
- 3.3 Support others to develop a stimulating learning environment to promote children’s knowledge and understanding of the world
- 3.4 Support others to utilise outdoor spaces, different local landscapes and the natural environment in promoting children's knowledge and understanding of the world
- 3.5 Make recommendations for improvements to the environment and resources of the early years setting to promote children's knowledge and understanding of the world.

Unit 165 Support others to promote children’s knowledge and understanding of the world in an early years setting

Outcome 4 Be able to manage programmes to support children’s knowledge and understanding of the world in early years settings

Assessment Criteria

Level: 5
Credit value: 7
UAN number: L/602/2435

Unit aim

The purpose of this unit is to assess the learner's knowledge, understanding and skills that are required to support others to promote children's physical development in an early years setting.

Learning outcomes

There are **four** learning outcomes to this unit. The learner will:

1. Understand the impact of research on the physical development of children in early years settings
2. Be able to facilitate the assessment process of children's physical development in early years settings
3. Be able to manage indoor and outdoor environments that promote children's physical development in early years settings
4. Be able to manage programmes to support children's physical development in early years settings

Assessment

This unit will be assessed by:

- A portfolio of evidence.

Learning Outcomes 2, 3 and 4 **must** be assessed in the work setting.

Unit 166

Support others to promote children's physical development in an early years setting

Outcome 1

Understand the impact of research on the physical development of children in early years settings

Assessment Criteria

The learner can:

- 1.1 Analyse how research has impacted on:
 - provision for children's physical development
 - use of outdoor spaces within local environments
 - workplace procedures and practices
 - own professional practice.

Unit 166 Support others to promote children's physical development in an early years setting

Outcome 2 Be able to facilitate the assessment process of children's physical development in early years settings

Assessment Criteria

The learner can:

- 2.1 Identify the **relevant curriculum and assessment frameworks** against which children's physical development will be measured
- 2.2 Facilitate the assessment of children's physical development

Unit 166 **Support others to promote children’s physical development in an early years setting**

Outcome 3 Be able to manage indoor and outdoor environments that promote children’s physical development in early years settings

Assessment Criteria

The learner can:

- 3.1 Evaluate the suitability and safety of the indoor environment and resources of the early years setting to promote children's physical development
- 3.2 Evaluate the suitability and safety of the outdoor environment and resources of the early years setting to promote children's physical development
- 3.3 Make recommendations for improvements to the environment and resources of the early years setting to promote children's physical development
- 3.4 Support others to develop a stimulating learning environment to promote children’s physical development
- 3.5 Support others to understand the importance of outdoor spaces and the natural environment in promoting physical development.

Unit 166 Support others to promote children's physical development in an early years setting

Outcome 4 Be able to manage programmes to support children's physical development in early years settings

Assessment Criteria

The learner can:

- 4.1 Ensure the planning and development of programmes **maximises opportunities** for children's physical development
- 4.2 Support others to implement programmes that support children's physical development
- 4.3 Support practitioners to involve children and their carers in evaluating programmes that support children's physical development

Level: 4
Credit value: 4
UAN number: A/602/2415

Unit aim

The purpose of this unit is to assess the learners' knowledge, understanding and skills required to develop the environment for children and young people.

Learning outcomes

There are **two** learning outcomes to this unit. The learner will:

1. Understand the legislation and regulatory requirements underpinning the environment for children and young people within own work setting
2. Be able to manage an environment which supports the needs of children and young people

Guided learning hours

It is recommended that **28** hours should be allocated for this unit, although patterns of delivery are likely to vary.

Details of the relationship between the unit and relevant national standards

This unit is linked to

CCLD 412 Evaluate and co-ordinate the environment for children and families.

Support of the unit by a sector or other appropriate body

Assessment

This unit will be assessed by:

- A portfolio of evidence.

Learning outcome 2 **must** be assessed in the work setting.

Unit 167 Develop the environment for children and young people

Outcome 1 Understand the legislation and regulatory requirements underpinning the environment for children and young people within own work setting

Assessment Criteria

The learner can:

- 1.1 Explain the legislation and regulatory requirements underpinning the environment for children and young people within own work setting.

Unit 167 Develop the environment for children and young people

Outcome 2 Be able to manage an environment which supports the needs of children and young people

Assessment Criteria

The learner can:

- 2.1 Explain the features of an effective environment for children and young people
- 2.2 Lead the process of planning the environment for children or young people
- 2.3 Facilitate participation of children or young people and carers in the planning of the environment
- 2.4 Support **others** to prepare the environment
- 2.5 Organise resources to meet regulatory and organisational requirements
- 2.6 Facilitate the development of an environment that promotes positive expectations of children or young people
- 2.7 Evaluate the features of own setting against current regulatory requirements and guidance for a safe, secure and inclusive environment.

Additional Guidance

Others may include: ☐

- Children or young people
- Workers / Practitioners
- Colleagues

- Volunteers
- Students

Unit 168

Undertake a research project within services for health and social care or children and young people

Level: 5
Credit value: 10
UAN number: J/602/3499

Unit aim

The purpose of this unit is to assess the learners' knowledge understanding in skills required to undertake a research project within services for health and social care or children or young people.

Learning outcomes

There are **four** learning outcomes to this unit. The learner will:

1. Be able to justify a topic for research within services for health and social care or children and young people
2. Understand how the components of research are used
3. Be able to conduct a research project within services for health and social care or children and young people
4. Be able to analyse research findings

Guided learning hours

It is recommended that **80** hours should be allocated for this unit, although patterns of delivery are likely to vary.

Details of the relationship between the unit and relevant national standards

This unit is linked to
CCLD 420 Undertake a research project.

Assessment

This unit will be assessed by:

- A portfolio of evidence.

Unit 168 **Undertake a research project within services for health and social care or children and young people**

Outcome 1 Be able to justify a topic for research within services for health and social care or children and young people

Assessment Criteria

The learner can:

- 1.1 Identify the area for the research project
- 1.2 Develop the **aims and objectives** of the research project
- 1.3 Explain **ethical considerations** that apply to the area of the research project
- 1.4 Complete a literature review of chosen area of research.

Additional Guidance

Aims and objectives

The reasons, understanding and methods for conducting the research project

Ethical considerations

Confidentiality, sensitivity of data, seeking agreements with participants.

Unit 168	Undertake a research project within services for health and social care or children and young people
Outcome 2	Understand how the components of research are used

Assessment Criteria

The learner can:

- 2.1 Critically compare different types of research
- 2.2 Evaluate a range of methods that can be used to collect data
- 2.3 Identify a range of tools that can be used to analyse data
- 2.4 Explain the importance of validity and reliability of data used within research.

Unit 168 **Undertake a research project within services for health and social care or children and young people**

Outcome 3 Be able to conduct a research project within services for health and social care or children and young people

Assessment Criteria

The learner can:

- 3.1 Identify sources of support whilst conducting a research project
- 3.2 Formulate a detailed plan for a research project
- 3.3 Select research methods for the project
- 3.4 Develop research questions to be used within project
- 3.5 Conduct the research using identified research methods
- 3.6 Record and collate data.

Unit 168 **Undertake a research project within services for health and social care or children and young people**

Outcome 4 **Be able to analyse research findings**

Assessment Criteria

The learner can:

- 4.1 Use data analysis methods to analyse the data
- 4.2 Draw conclusions from findings
- 4.3 Reflect how own research findings substantiate initial literature review
- 4.4 Make recommendations related to area of research
- 4.5 Identify potential uses for the research findings within practice.

Level: 5
Credit value: 4
UAN number: H/601/5250

Unit aim

This unit aims to support the learner to understand, plan, provide and review assistive technologies in order to best support the individual.

Learning outcomes

There are **four** learning outcomes to this unit. The learner will:

1. Understand the contribution that assistive technology can make to the lives of individuals
2. Be able to facilitate the use of assistive technology
3. Be able to develop others to facilitate the use of assistive technology
4. Be able to review the provision of assistive technology

Guided learning hours

It is recommended that **31** hours should be allocated for this unit, although patterns of delivery are likely to vary.

Details of the relationship between the unit and relevant national standards

This unit is linked to Sensory Services 4, 6, 7, 9, and 11.

Support of the unit by a sector or other appropriate body

This unit is endorsed by Skills for Care and Development.

Assessment

This unit will be assessed by:

- A portfolio of evidence.

Unit 169

Support the use of assistive technology

Outcome 1

Understand the contribution that assistive technology can make to the lives of individuals

Assessment Criteria

The learner can:

- 1.1 Investigate and report on the range and availability of **assistive technology**
- 1.2 Research how the use of assistive technology can result in positive outcomes for individuals.

Additional Guidance

Assistive technology (AT) is defined as "any product or service designed to enable independence for disabled and older people" (Source: Kings Fund consultation, 2001). For example, this could include a range of human/animal/low or high tech devices to support the individual's daily living such as:

- human aids
- assistance dogs
- electrical/electronic devices
- low vision aids
- environmental aids

Unit 169

Support the use of assistive technology

Outcome 2

Be able to facilitate the use of assistive technology

Assessment Criteria

The learner can:

- 2.1 Research assistive technology solutions that meet identified needs
- 2.2 Explain how a range of assistive technology solutions can be adapted according to need and context
- 2.3 Assess the risks associated with the range of assistive technology solutions
- 2.4 Describe a range of assessment and referral processes which are used to secure assistive technology
- 2.5 Support the individual to secure the provision of appropriate assistive technology
- 2.6 Support the individual to use assistive technology.

- The centre and qualification approval process and forms
- Assessment, verification and examination roles at the centre
- Registration and certification of learners
- Non-compliance
- Complaints and appeals
- Equal opportunities
- Data protection
- Frequently asked questions.

Ensuring quality contains updates and good practice exemplars for City & Guilds assessment and policy issues. Specifically, the document contains information on:

- Management systems
- Maintaining records
- Assessment
- Internal verification and quality assurance
- External verification.

Access to Assessment & Qualifications provides full details of the arrangements that may be made to facilitate access to assessments and qualifications for learners who are eligible for adjustments in assessment.

The **centre homepage** section of the City & Guilds website also contains useful information such on such things as:

- **Walled Garden**
Find out how to register and certificate learners on line
- **Events**
Contains dates and information on the latest Centre events
- **Online assessment**
Contains information on how to register for GOLA assessments.
