Dear City & Guilds

Re: 600/8742/0 City & Guilds Level 1 Award in Caring for Children (QCF)

As a provider we at Luton Adult Learning (Luton Borough Council) use the Level 1 qualification in Caring for Children. We value it as an important element within our curriculum offer. It greatly helps our learners by supporting them back into learning, encourages progression onto further learning and enables learners to acquire valuable work placements.

This qualification provides the skills and knowledge needed to gain an understanding of the Children and Young People's sector. The progression from this qualification allows the learners a varied choice: work placement, progression onto the Level 2 Certificate for the Children and Young People's Workforce and/or onto an apprenticeship in the Children and Young People's Workforce.

Yours faithfully
