

Unit 101: Level 1 Principles of Building Construction, Information and Communication and Unit 301: Level 3 Principles of Organising, Planning and Pricing Construction Work

In response to feedback from our valued centres and in line with our policy on continual improvement, we have reviewed the assessments for the 'Principles' units levels 1-3. Level 2 has been updated and is now available, this update relates specifically to the level 1 and level 3 Principles units.

The assessments have been updated in accordance with best practice assessment principles to ensure they are reliable, accessible and valid. The updated level 1 and level 3 e-volve assessments are now available (March 2015).

You do not have to do anything. These updates will change automatically on our e-volve platform. This update is for your information only.
