60080498 Level 2 Diploma in Maintenance Operations (Construction)

OVERVIEW

For those interested in a career repair and refurbishment in the construction industry, this qualification is ideal for continuing to develop your skills and knowledge of building maintenance. You will learn about the industry, including the principles of constructing buildings, and about the types of information used in building design and construction. You will learn about health, safety and environmental issues faced on construction sites, and how to communicate with others on the job.

You will also learn knowledge and practical skills specific to building maintenance, including how to:

- Carry out small-scale building repairs
- Carry out small-scale painting and decorating repairs
- Carry out small-scale plastering repairs
- Carry out small-scale plumbing repairs
- Carry out carpentry repairs

This is a Framework qualification that consists of seven units of assessment.

There are no entry requirements for this qualification – it is available to anyone over the age of 16 that is interested in learning more about building maintenance. However, you are likely to hold a previous qualification, such as the Level 1 Diploma in Construction Skills, or have equivalent experience working in repair and refurbishment roles in the industry. You will be seeking to consolidate your skills and knowledge of the trade in order to progress to further learning and specialisation in building maintenance.

WHAT COULD THIS QUALIFICATION LEAD TO?

This qualification helps prepare you for work in the construction industry, with a specific focus on building maintenance. You may wish to continue study in a particular trade area. You are likely to progress on to study the Level 2 NVQ, either as part of an apprenticeship, or as a standalone qualification

- Level 2 NVQ Diploma in Building Maintenance Multi-trade Repair and Refurbishment Operations (Construction)

WHO SUPPORTS THIS QUALIFICATION?

This qualification is supported by several colleges in the UK. We are grateful to have specific support from the following City & Guilds Construction centres:

Bridgwater College
Colchester Institute
South & City College Birmingham

We are also grateful to have support for this qualification from the Federation of Master Builders.
