Dear Diane,

In the past I have had the pleasure of employing students from the floral design courses at Capel Manor College and I feel the following qualifications are suitable for someone wanting to enter into the Floral Design Industry.

- 600/4515/2 – Level 2 Certificate in Floral Design
- 600/4514/0 – Level 2 Certificate in Floral Design

These qualifications provide the skills and knowledge to gain an understanding of Floral Design

These qualifications can lead to employment as a:

- Assistant in floristry shop
- Assistant to a floral designer
- Florist

Kind regards
