# Recording forms for ITQ candidate portfolios

City & Guilds has developed these recording forms, for new and existing centres to use as appropriate. Although it is expected that new centres will use these forms, centres may devise or customise alternative forms, which must be approved by the external verifier before they are used by ITQ candidates and assessors at the centre. These are divided between two document types, those for the specific Level and Units being undertaken and the Generic Recording Forms document that has forms that can be used at all levels;

- TS-01-7574 – Level 1 Centre information, Candidate information and Unit Recording forms
- TS-02-7574 – Level 2 Centre information, Candidate information and Unit Recording forms
- TS-03-7574 – Level 3 Centre information, Candidate information and Unit Recording forms
- TS-99-7574 – Generic Recording Forms

Where a centre wishes to use other electronic methods of keeping evidence they will need to discuss this with their external verifier.

This document contains the generic forms with blank versions of the Unit recording forms where these may be more suitable to the assessment and training being carried out.

Forms 5, 6, 7, 8, 10, 11 and 12, or approved alternatives, are a requirement. The other forms have been designed to help the assessment and recording process.

## **Candidate and centre details (Form ITQ01)**

Form used to record candidate and centre details. This should be the first page of the candidate portfolio.

## **Contact details and signatures (Form ITQ02)**

Form used to record details and signatures of assessor(s) and internal verifier(s).

## **Candidate résumé (Form ITQ03)**

Form used if the candidate does not have an appropriate Curriculum Vitae (CV) for inclusion in the portfolio.

## **Skill scan (Form ITQ04)**

Form used to record the candidate's existing skills and knowledge.

## **Expert/witness status list (Form ITQ05)**

Form used to record the details of all those who have witnessed candidate evidence.

## **Assessment plan, review and feedback form (Form ITQ06)**

Form used to record unit assessment plans, reviews and feedback to the candidate. The form allows for a dated, ongoing record to be developed.

## **Performance evidence record (Form ITQ07)**

Form used to record details of activities observed, witnessed or for which a reflective account has been produced.

## **Questioning record (Form ITQ08)**

Form used to record the focus of, and responses to, assessor devised questions. (Where question banks or online testing is used, the location of this evidence should be recorded on Form ITQ10.)

## **Professional discussion record (Form ITQ09)**

Form used to record the scope and outcome of professional discussion if it is used

**Evidence location and summary sheet (Form ITQ10)**

Form used to identify what requirements each piece of evidence covers and where it is located, including questioning records which are held elsewhere (for example, because they were conducted online).

**Assessment and verification declaration (Form ITQ11)**

Form used as attestation that the evidence contained in the portfolio is authentic and is the work of the candidate undertaken in accordance with the requirements of the ITQ.

**Summary of achievement (Form ITQ12)**

Form used to record the candidate's on-going completion of units and progress to final achievement of the complete ITQ.

**Please photocopy or print the forms as required.**

MS Word amendable versions of these forms are also available on the City & Guilds website.
