Recording forms for ITQ candidate portfolios

City & Guilds has developed these recording forms, for new and existing centres to use as appropriate. Although it is expected that new centres will use these forms, centres may devise or customise alternative forms, which must be approved by the external verifier before they are used by ITQ candidates and assessors at the centre. These are divided between two document types, those for the specific Level and Units being undertaken and the Generic Recording Forms document that has forms that can be used at all levels;

- TS-01-7574 – Level 1 Centre information, Candidate information and Unit Recording forms
- TS-02-7574 – Level 2 Centre information, Candidate information and Unit Recording forms
- TS-03-7574 – Level 3 Centre information, Candidate information and Unit Recording forms
- TS-99-7574 – Generic Recording Forms

Where a centre wishes to use other electronic methods of keeping evidence they will need to discuss this with their external verifier.

This document contains the generic forms with blank versions of the Unit recording forms where these may be more suitable to the assessment and training being carried out.

Forms 5, 6, 7, 8, 10, 11 and 12, or approved alternatives, are a requirement. The other forms have been designed to help the assessment and recording process.
