Dear Andrew

Bosch Thermotechnology Ltd is part of the worldwide Bosch Group and are manufacturers of heating and hot water equipment for residential, commercial and industrial applications. Significant investment into research and development is made each year, in order to develop new innovations and technology that improve people's lives. Bosch needs good and competent engineers at all levels, embracing many engineering disciplines. Our commitment to education, training and ongoing development of our employees is one of our core values.

We feel the following qualifications are suitable for a young person between the ages of 16-19 studying full time and will give that young person an advantage when applying for a job or progressing onto an apprenticeship.

Bosch Thermotechnology supports the following qualifications for inclusion in the DfE performance tables in the Tech Level category.

City & Guilds Level 3 Advanced Technical Certificate in Engineering (601/4535/3)
City & Guilds Level 3 Advanced Technical Diploma in Engineering (540) – (601/4507/9)
City & Guilds Level 3 Advanced Technical Extended Diploma in Engineering (720) – (601/4506/7)

We confirm that we consent to our organisation's name and logo being made publicly available on the DfE and City & Guilds websites. The logo will be provided under separate cover on receipt of the preferred file type.

Yours sincerely

Carl Arntzen
