EC1A 9DD

UK PRN: 10002755

Dear Andrew,

Great Yarmouth College currently use the following qualifications to support our Engineering curriculum:

- 600/0880/5 Level 2 Certificate in Engineering (QCF)
- 600/0881/7 Level 2 Diploma in Engineering (QCF)
- 600/0882/9 Level 3 Diploma in Engineering (QCF)

The qualifications provide learners with the essential hand skills and knowledge enabling them to progress in an intermediate or advanced apprenticeship in Engineering or onto further learning. Learners can become mechanical engineers, electrical & electronic engineers, welders, fabricators or maintenance engineers in the broad Advanced Manufacturing and Engineering sector.

The above qualifications also support progression to the higher apprenticeship in Advanced Manufacturing Engineering (FR02278).

Yours sincerely,

Douglas Lawrence
