Andrew Hewison, Portfolio Manager
City & Guilds,
1 Giltspur Street,
London
EC1A 9DD

Dear Andrew,

Bracknell and Wokingham College have been offering CAD qualification's for many years and have seen a continued demand from both 16-18 and 19+ learners to study these valuable qualifications which enhance their employability prospects. These new qualifications would allow learners to gain the skills they need for employment in this specialist field and the College backs City & Guilds bid in getting them recognised for funding.

The following qualifications will provide the Advanced Manufacturing and Engineering sector, which includes Aerospace, Automotive and Marine, with much needed skilled design and draughts people.

- City & Guilds Level 1 Award in Parametric Modelling (QCF) – 601/5120/1
- City & Guilds Level 2 Certificate in Computer Aided Design (QCF) – 601/5118/3
- City & Guilds Level 3 Certificate in Computer Aided Design (QCF) – 601/5119/5

They will also enable learners to progress onto an intermediate and/or advanced apprenticeship in Engineering, or onto further learning through the following qualifications:

- City & Guilds Level 2 Award in Parametric Modelling (QCF) – 601/5113/4
- City & Guilds Level 2 Diploma in Engineering (QCF) - 600/0881/7
- City & Guilds Level 3 Award in Parametric Modelling (QCF) – 601/5114/6
- City & Guilds Level 3 Award in 2D Computer Aided Design (QCF) – 601/5116/X
- City & Guilds Level 3 Diploma in Engineering (QCF) – 600/0882/9
- City & Guilds Level 4 Diploma in Advanced Manufacturing Engineering (QCF) – 600/6874/7

We support the purpose of B (Prepare for Further Learning or Training) for these qualifications and funding for Adults (19+). If you require any further information please do not hesitate to contact me.

Yours sincerely,

James Taylor
