

Andrew Hewison, Portfolio Manager
City & Guilds,
1 Giltspur Street
London
EC1A 9DD

28 May 2015

Dear Andrew,

Tameside College offers a wide range of courses including Full-Time, Part-Time and Apprenticeships for people of all ages. We believe in excellence and we back this up with high standards, real working environments and great teaching. We also believe that attending college is more than just achieving a qualification. That is why we aim to give every person the opportunity to develop their full potential in a supportive and friendly environment.

We believe the following qualifications will provide the Manufacturing and Engineering sectors with skilled design and draughts people.

- City & Guilds Level 1 Award in Parametric Modelling (QCF) – 601/5120/1
- City & Guilds Level 2 Certificate in Computer Aided Design (QCF) – 601/5118/3
- City & Guilds Level 3 Certificate in Computer Aided Design (QCF) – 601/5119/5

They will also enable learners to progress onto an intermediate and/or advanced apprenticeship in Engineering or onto further learning through the following qualifications:

- City & Guilds Level 2 Award in Parametric Modelling (QCF) – 601/5113/4
- City & Guilds Level 2 Diploma in Engineering (QCF) – 600/0881/7
- City & Guilds Level 3 Award in Parametric Modelling (QCF) – 601/5114/6
- City & Guilds Level 3 Diploma in Engineering (QCF) – 600/0882/9
- City & Guilds Level 4 Diploma in Advanced Manufacturing Engineering (QCF) – 600/6874/7

We support the Purpose 'B' (Prepare for Further Learning or Training) for these qualifications and the funding of Adults (19+). Our PRN is 10006494.

Yours sincerely,

Tracey Roberts
