

## Task 2A – Preparing the mould

You must:

- a) prepare the work area
- b) prepare the mould
- c) reinstate the work area.

### Conditions of assessment:

- the time allocated for this task is **2 hours**
- you must carry out the task on your own, under **controlled conditions** while being observed.

### Controlled conditions:

- you must only work on your tasks in the allocated times
- assessment evidence must be handed in at the end of each session for secure storage which cannot be accessed
- all practical work areas and any evidence produced must be kept secure and only accessible by the assessor
- you must not share or discuss your work with other candidates
- you are not permitted to bring any materials into the assessment session.

### What must be produced for marking:

- prepared mould.

### Additional evidence for this task:

- assessor observations of:
  - mould preparation
  - preparation of materials
  - the prepared work area, the work area during the task and the work area on completion of the task.

To support the comments made within the Practical Observation the assessor must capture the following photographs that must be submitted as supporting evidence for each candidate.

### Photographic evidence which shows:

- mould preparation
- preparation of materials
- the prepared work area and the work area on completion of the task.

**Resources:**

- writing materials
- mould
- cleaning supplies and tools
- a range of release agents
- appropriate PPE (as per resources list)
- copies of completed documentation from Task 1.
