Q12	<p>Band 1 (1 - 4 marks) Basic discussion showing minimal considerations, supported with little or no analysis and conclusion. Tenuous links to client's requirements with lack of understanding evident. Makes little or no reference to techniques or tools and products and provided little or no justifications for selection. The response lacks structure and coherency with some inaccuracies.</p> <p>To access higher marks in the band the response will include some attempt of terminology and a satisfactory range of considerations.</p> <p>Band 2 (5 - 8 marks) The discussion is mostly relevant and likely to be detailed in some areas more than others which makes a reasonable attempt to cover some considerations displaying good breadth of understanding. This is supported by some analysis and conclusions that displayed a general depth of understanding in most parts. Clear knowledge of topic is evident although linkages between these may be slightly fragmented and lack coherency. Throughout the discussion recommendations and opinions are offered with use of some examples, factual content is accurate.</p> <p>To access the higher marks in the band, the discussion will be mostly detailed and presented in a clear and logical structure, use of terminology is mostly appropriate.</p> <p>Band 3 (9 - 12 marks) Thorough and detailed discussion which covers a variety of considerations and implication showing breadth of understanding which is supported by effective and relevant factors and conclusions that display depth of understanding. A well-reasoned discussion with accurate links to the client's requirements and theories were considered.
