NHS Foundation Trust

Dear Roberta

We are an employer operating in Health and Care, currently employing 3000 number of people.

We would like to offer support for the following City & Guilds qualifications as we feel it is ideal for young people between the ages of 16-19.:

Level 3 Advanced Technical Extended Diploma in Health and Care (1080)

We feel that the qualification has been developed with the needs of the sector in mind and the essential knowledge and skills for our industry have been included:

- Role of a senior healthcare support worker
- Reflective practice
- Lifespan development
- Cognitive development and issues of cognitive impairment (acute and chronic)

We believe that these skills and knowledge would give a young person an advantage when seeking employment in Health and Care, for jobs roles such as:

- HCA
- Physio Assistant
- Occupational Health assistant
- Senior care worker
- Potential for APL to prep registration nurse training (dependant on HEI view)

This is the type of qualification or skills and knowledge we will be looking for when recruiting for such a position.

We consent to our name and logo being publically available on the City & Guilds website

Signed
