

LIME TREES

VETERINARY SURGEONS

Lime Trees Veterinary Surgeons

To City & Guilds,

We supply caring and professional veterinary services to small animals, horses and farm animals in Stoke-on-Trent, Newcastle-under-Lyme and the Staffordshire Moorlands. We provide our own 24/7 out of hours service and so our clients will always be seen by our regular vets and nurses.

We also offer referral services in small animal surgery and internal medicine at our hospital in Meir Park.

We would like to provide our support to City & Guilds, as an employer within the Veterinary sector, we feel the following qualifications are suitable for a young person between the ages of 16-19 studying full time and will give that young person an advantage when going onto applying for a job or progressing onto an apprenticeship or further learning.

We Lime Trees Veterinary Surgeons support the inclusion of:

- City & Guilds Level 2 Diploma for Veterinary Care Assistants 600/0106/9

For inclusion on the DfE 2017 performance tables in the substantial vocational qualifications at level 2 category.

We feel the progression opportunities into employment are:

- Veterinary Care Assistant
- Animal Nursing Assistant

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City & Guilds websites.

Yours sincerely
