To City & Guilds,

We, Seaham Vets, are an established dedicated small animal veterinary surgery, providing training for those wishing to further their career into the animal or veterinary care sector.

As an employer within the Veterinary sector, we would like to provide our support to City & Guilds. We feel that the following qualification is suitable for a young person between the ages of 16-19 studying full time, and will give that young person an advantage when applying for a job or progressing onto an apprenticeship or further learning

We, Seaham Vets, support the inclusion of:

- City & Guilds Level 2 Diploma for Veterinary Care Assistants (0448-02) 600/0106/9

For inclusion on the DfE 2017 performance tables in the substantial vocational qualifications at level 2 category.

We feel the progression opportunities into employment are:

- Veterinary Care Assistant
- Animal Nursing Assistant

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City & Guilds websites.

Yours sincerely
