To Susie Brennan

I provide my support as an employer within the Horse Management industry and feel that the following qualification:

- meets the industry needs by having a range of sizes of qualification available which can act as an in depth introduction to the Horse Care industry, with many choices of units available to more specific qualifications which allow in depth focus
- would give a learner the relevant skills to gain employment – like yard management skills for different branches of the horse industry and teaching skills
- develop and confirm specialist knowledge and skills which are relevant to the Horse Care industry
- are suitable for a young person between the ages of 16-19 studying full-time
- will give the young person an advantage when applying for a job, apprenticeship or progressing into Higher Education

We, Summerhouse Equestrian and Training Centre, support the inclusion of:

500/8714/9 Level 3 Subsidiary Diploma in Horse Management (QCF)  
600/6114/5 Level 3 90-Credit Diploma in Horse Management (QCF)  
500/8709/5 Level 3 Diploma in Horse Management (QCF)  
500/8708/3 2 Level 3 Extended Diploma in Horse Management (QCF)

for the DfE 2016 performance tables in the Technical Level category.

We confirm that we consent to our company name (and logo) being made publicly available on the DfE and City & Guilds websites.

Yours sincerely
