

Changes to 0059-21, -22 and -23

As of 1 January 2014, for new learner registrations for 0059-21, 22, and 23 the rules of combination are:

0059-21 Level 2 Diploma in work-based Land-based Engineering Operation (Agriculture)

Learners must complete mandatory units (201-207 and 219-222) plus a minimum of 20 credits from (208-213), 4 units out of the 6 units must be achieved. Plus a minimum of 10 credits from (214-218), 2 units out of the 5 units listed must be achieved. A minimum total of 109 credits are required. Learners completing the Apprenticeship package should complete the additional module 700.

Level 2 Diploma in Work-based Land-based Engineering Operations (Arboriculture/ forestry)

Learners must complete mandatory units (201-207 and 219-222) plus a minimum of 20 credits from (208-213), 4 units out of the 6 units must be achieved. Plus a minimum of 10 credits from (214-218), 2 units out of the 5 units listed must be achieved. A minimum total of 109 credits are required. Learners completing the Apprenticeship package should complete the additional module 700.

0059-23 Level 2 Diploma in Work-based Land-based Engineering Operations (Ground Care)

Learners must complete mandatory units (201-207 and 219-222) plus a minimum of 20 credits from (208-213), 4 units out of the 6 units must be achieved. Plus a minimum of 10 credits from (214, 216-218), 2 units out of the 5 units listed must be achieved. A minimum total of 109 credits are required. Learners completing the Apprenticeship package should complete the additional module 700.

Please note that the minimum total number of credits that learners have to achieve for these routes has not changed but learners must achieve a minimum of 20 credits from 4 units for group A and a minimum of 10 credits from 2 units for group B.

This change has come from the SSC and industry group.

The rules of combination has not changed for 0059-24.
