## City & Guilds

Level 3 Diploma in Wood Machining – CNC machines (600/3205/4)

### OVERVIEW

#### **What does this qualification cover?**

This qualification covers the advanced practical skills and knowledge required to work on CNC machines within the wood machining industry

You will take the following mandatory units

- Health and safety within furniture and furnishing making environments
- Manufacturing wood-based components using CNC machines
- Sustainability in the timber trade
- Environmental management and waste management in woodmachining
- Manufacturing wood-based components using CNC machines
- Produce drawings using CAD
- Workflow management in wood machining

This is a Framework qualification.

Who could take this qualification?

This qualification is suitable if you wish to pursue a career working on CNC machines in wood machining roles within the furniture industry. Ideally you should already have completed the Level 2 NVQ Diploma in Wood Machining (600/1976/1) qualification or have a basic understanding of wood machining skills.

This qualification is suitable if you are 14 years old or over.

## WHAT COULD THIS QUALIFICATION LEAD TO?

This qualification could lead to jobs such as:

- Wood Machinist
- Furniture Manufacturing Technician
- Furniture Manufacturing Engineer

You could progress onto the 'Furniture, furnishings and interiors' apprenticeship or the following Institute of Leadership and Management (ILM) qualifications:

- Level 3 Award in First Line Management (500/3586/1)
- Level 3 Diploma in First Line Management (500/3587/3)
- Level 3 Certificate in First Line Management (500/3585/X)

## WHO SUPPORTS THIS QUALIFICATION?

This qualification is supported by 'The Worshipful Company of Furniture Makers'
