Level 2 NVQ Diploma in Wood Machining - Furniture (500/8481/1)

OVERVIEW

What does this qualification cover?

This qualification covers the occupational basic practical skills and knowledge required to work in wood machining roles within the furniture industry.

There is a large number of units covering all aspects of the wood machining process including operating appropriate machinery and producing a variety of profiled wood and wood based products to a number of different specifications.

You will take a mixture of mandatory units and optional units depending on your role profile within your workplace.

This is a Framework qualification.

Who could take this qualification? OR who is this qualification suitable for?

This qualification is suitable if you are working in a wood-machining role in a furniture production company or manufacturer.

There are no entry requirements for this qualification and it is available if you are 16 years old or over. However you need to be employed in a furniture company in order that you can gather the evidence to demonstrate that you are competent in this qualification as you will be assessed in the workplace by a portfolio of evidence.

WHAT COULD THIS QUALIFICATION LEAD TO?

This qualification could lead to jobs such as:

- Cabinet/Furniture Maker
- Wood Machinist
- Furniture Manufacturing Technician
- Furniture Manufacturing Engineer
- Designer Maker (Bespoke Craft)

You could progress onto the 'Furniture, furnishings and interiors' apprenticeship or the following qualifications:

- Level 3 Diploma in Wood Machining - CNC Machines (600/3205/4)
- Level 3 Diploma in Wood Machining (600/3206/6)

WHO SUPPORTS THIS QUALIFICATION?

This qualification is supported by 'The Worshipful Company of Furniture Makers'
