FUNCTIONAL
SKILLS

A woman with dark curly hair and glasses is sitting at a desk in a library. She is looking at a document on the desk. A man in a suit is sitting next to her, looking at the same document. The background shows bookshelves filled with books.

| Functional Skills Qualification in Mathematics at Level 1 | Yes | 45 | 501/0986/8 | 3748-02 |
| Functional Skills Qualification in Mathematics at Level 2 | Yes | 45 | 501/0987/X | 3748-02 |

| Qualification aim | Qualification level and definition | Progression routes |
|---|--|---|
| <p>Our Functional Skills qualifications in Mathematics enable learners to apply numeracy and practical mathematical skills in both their personal and professional lives.</p> <p>Functional Skills equips learners with the fundamental applied skills needed to succeed in all aspects of life, work and other learning.</p> | <p>Functional Skills Mathematics qualifications are available at all five levels: Entry 1, Entry 2, Entry 3, Level 1 and Level 2.</p> <p>The qualifications assess candidates' ability to represent, analyse and interpret problems that involve the use of mathematics.</p> | <p>Being able to use numbers confidently, particularly the ability to apply these skills to a variety of situations, is crucial no matter where or how learners plan to progress after achieving these qualifications.</p> <p>That's why Functional Skills Mathematics is included in all Apprenticeship frameworks in England, and why it's a key part of City & Guilds' Work Ready programme.</p> |

| Product information | Key features | Key benefits |
|---------------------|--|---|
| Structure | This qualification consists of one assessment component. | <p>A single assessment covers all of the Functional Skills Mathematics criteria. It can be attempted as soon as the candidate is ready.</p> <p>Each candidate registration covers all five levels, allowing more flexibility and time to ensure learners are working towards an appropriate level. This also supports learner progression.</p> |
| Assessments | <p>Entry Level: All assessment is centre marked.</p> <p>Level 1 and 2: All assessment is externally set and marked by City & Guilds – available on demand and delivered either onscreen or on paper.</p> | <p>All assessment is on demand and designed to be taken as soon as the learner is ready.</p> <p>Entry level is simply downloaded from our website, with centre assessment and quality assurance – there's a choice of topics and fees are only payable if candidates pass.</p> <p>Levels 1 and 2 are available both onscreen, using City & Guilds e-volve system, and as paper-delivered as assessment.</p> |
| Support | Our support offer includes: free resource materials like sample assessments, qualification handbook, a comprehensive list of FAQs, teaching and learning materials on SmartScreen, online video support portal and face-to-face support. | <p>SmartScreen helps tutors save time planning and supports learners to achieve their Functional Skills qualification. Additional subscription material is also available through SmartScreen Plus. www.smartscreen.co.uk</p> <p>Personal support is available from our specialist Functional Skills Advisors, Quality Consultants and dedicated Business Managers. We also host regular network events where you can meet experts and other centres.</p> <p>Website resources including FAQs, qualification handbooks, sample assessments, assessment materials and examiners' reports. All materials are regularly updated and available whenever you need them.</p> |

| Reasons to choose City & Guilds | |
|--|---|
| Fast results turnaround | For all externally-marked assessments, we promise to provide results notification within a maximum of 20 working days of upload/receipt. |
| Full range of qualifications with flexible assessment | We have the full suite of Functional Skills qualifications in English, Mathematics and ICT, from Entry 1 to Level 2. All assessment is available on demand, with the external components available both onscreen and on paper – improving accessibility for learners. |
| Employers recognise City & Guilds | Our qualifications are trusted and valued both by experts and employers, which will help you to engage with employers and improve the likelihood of your learners finding employment. |
