Dear Patricia,

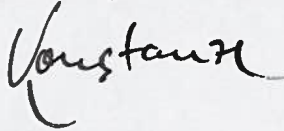

SMMT support for City & Guilds Submitting Qualifications, for inclusion in performance tables

Following a discussion with City & Guilds, this letter is to support submissions by City & Guilds to submit the following qualification for inclusion in the Key stage 5 performance tables:

City & Guilds Level 3 Diploma in Light Vehicle Maintenance and Repair Principles (501/0019/1)

This qualification develops the specialist knowledge and skills required by the automotive sector, and supports the needs of employers within the industry. It gives 16+ students an advantage when applying for related jobs, apprenticeships and other further or higher level qualifications related to the sector.

Yours sincerely,

Konstanze Scharring
