GENERAL INFORMATION
LEVEL 1
LEVEL 2
LEVEL 3

About these qualifications

The VCQs in Vehicle Maintenance and Repair are practical qualifications that demonstrate your skills on the job, in your own workplace. They can take you from your first workshop repair job to a role where you supervise a team of people in a small family-run operation, a main dealer or even one of the largest manufacturers.

Who are they for

The VCQs are for anyone developing a career in the motor industry. You will need a current job or work placement where you can carry out repair work or tyre fitting. If you don't have a suitable job or work placement you could do one of our VRQs in Vehicle Maintenance and Repair (4290).

Qualification News continued

Addition of level 2 motorcycle optional units into our 4290-11 Level 1 in Vehicle Maintenance.

Following feedback from centres, we have added additional level 2 motorcycle units both in the certificate and diploma qualifications.

Accreditation numbers (QAN) and registration/certification dates remain unchanged.

Automotive unit routes.

Following feedback from centres we have set up new unit routes for the following automotive qualifications: 4270, 4290, 4271, 4291, 4122.

Please note these unit routes are intended for those learners who would like to take only a few units, not the whole qualification. For example, unemployment programmes, up skilling, etc.

If the intention is to achieve the full qualification, please register the learners under the usual qualification number as it will be more cost effective.

Learning Assistant: new version for light vehicle VRQ.

Learning Assistant is currently available for all automotive qualifications.

In addition, following feedback from centres, we have produced an additional new version of our e-portfolio Learning Assistant exclusively for the light vehicle VRQs, that is 3902 and 4290 qualifications. This new version follows on the same assessment approach as our assessment documentation and is more user friendly for learners and assessors.

Thank you for your continued support.
